

HD PHOTO METAL PANEL MOUNTS

ready from
5 days*

High Definition Photo Metal Prints are shadow mounted 1cm off of sheets of brushed aluminium 3mm thick composite panel. Includes satin silver stand-offs in each corner to "float" off the wall. Comes ready to hang.

- Your photos & artwork as you've never seen them before.
- Vivid colour with a "Kodachrome" saturated look, showing great depth & clarity.
- Waterproof, very durable, ok for all rooms in your home or office out of direct sunlight.
- Stable surface not affected by heat and humidity. Cleans like glass.
- Perfect for Commercial use with signs in foyers and offices
- Light weight so they're much easier to post than glass frames.
- 100s of unique templates to make your photos shine.

HD Metal Surface finishes

CLEAR coated brushed HD Metal with a high gloss finish. Allows the surface of the metal to show through in white image areas giving it a metallic luminescence. A very artistic look that works well with high key and high contrast images, cars and metal subjects, signs etc.. OR **WHITE** coated smooth HD Metal with a high gloss finish. The most accurate photo quality look where whites are white. An excellent surface for any subject matter.
